

# Dr. George Dimeplo

age: 61

residence: Columbia SC

education: PhD in Chemistry

occupation: Professor of chemistry at UofSC

marital status: Married with 2 kids

*"I love chemistry because the world is chemistry"*

George is a wonderful professor who loves his job. He gets up extra early to take out his two dogs and enjoy a cup of coffee before coming to the campus of UofSC to start his workday. He usually teaches 2 classes a day, and sometimes a lab.

# Student Sal

age: 20

residence: Columbia, SC

education: Working towards a Bachelor's degree

occupation: Tutors kids at the Salvation Army

marital status: Single

*"I never eat at crowded restaurants because there is limited physical distancing."*

Likes to bike around campus for exercise

Wakes up early and eats a large breakfast but avoids long lines at restaurants

Tutors elementary and middle school students twice a week at the Salvation Army

Visits the library three times a week to study and does homework during the day in between classes

Cleans his masks every single night and wipes down all surfaces with clorox wipes at least once daily

Washes his clothes every Saturday morning

Volunteers with a local hospital twice a month to give encouragement to pediatric patients and families

## Criteria For Success:

My criteria for success is that I prevent myself from getting the coronavirus by staying physically distant from everyone else and wearing a mask. Anything I can do to help others throughout this pandemic is a must, which is why I tutor at the local Salvation Army and volunteer at the local hospital.

## Needs

- Eat three times a day
- Cell phone for communication with family
- Exercise three times a week

## Values

- Service - giving back to the community
- Hard-working - paving his own path in life
- Kindness - treating everyone with respect

## Wants

- Make a difference in his society
- Visit the university union at least twice every week to meet friends for lunch and engage in community time with peers

## Fears

- He will contract COVID-19
- His favorite restaurant will go out of business
- Kids he tutors will not understand the material he teaches them
